My dear Mother

I am all O.K. I like the life here so far much better. The chocolate has been a great luxury. We have to cook at night or else eat canned beef and cold coffee. But it is very good and relished as much as if it was turkey and cranberries. Now is Daddy and by now he has everything ready to plant the next crop.

We are having April showers and they have been real rains for several days. But for a few reasons of importance I am glad that it has rained.

I wrote "Pete" a letter
to-day. Wish he could
be with me.

How is Joe getting
along? While his operation
is healing he should
have some time to
write to me. It must
be very lonesome for Rivers
with out him at school.

Much love to my dear
Mother,

Your devoted son
Boyer,
